

USB-C ANGLED CABLE 3.2 GEN2 10GBP 100W/5A, 4K/60HZ, USB-C/M-USB-C/M

Power, speed and precision in every connection. A USB-C cable designed for charging, data transfer and video streaming with maximum performance, even in the most demanding environments.

Its angled USB-C connector makes it easy to connect in tight spaces and reduces stress on the device port.

Compatible with **USB-C 3.2 Gen2**, it offers data transfer speeds of up to **10 Gbps** and fast charging of up to **100 W (5 A)**.

Enables video transmission up to **4K** at **60 Hz**, expanding the possibilities for connecting to external monitors and displays.

Specifications:

- Angled USB-C cable ideal for charging and transferring data between devices.
- Provides up to 5 amps 100W of charging power.
- Data transfer speed of up to 10Gbps.
- Compatible with video up to 4k at 60Hz.
- Cotton mesh cable.
- Regulations: RoHS.
- Functionality test: 100% tested
