

**HDMI CABLE V2.1 8K@60HZ 48GBPS
CCS, A/M-A/M**

Enjoy ultra-fast, stable transmission with this **HDMI 2.1 cable**, capable of delivering resolutions up to **8K** with crystal-clear images and immersive sound. Its advanced shielding reduces interference, while its compatibility with **dynamic HDR, eARC and previous versions** ensures a seamless connection on any device.

You can choose from **different sizes**: from 50 cm to 10 metres. Choose yours and go wherever you want!

Thanks to **Plug & Play** technology, you just need to plug it in and it will start working.

High-quality gold-plated aluminium **Type A** connectors on **both ends**.

Specifications:

- HDMI V2.1 cable with male Type A connectors on both ends
- Speed up to 48 Gbps, ideal for high-definition and high-bandwidth content.
