

6 in 1 USB-C HUB

2 USB-A + 2 USB-C + HDMI + USB-C PD CONVERTER

10.16.1006

EAN: 8433281014329

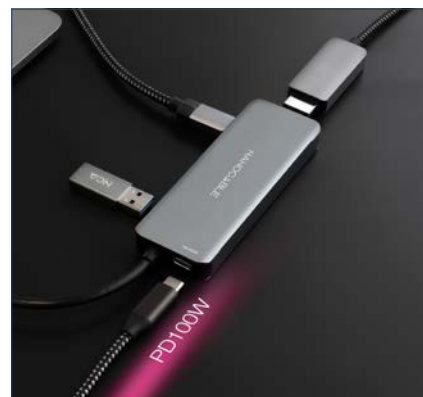

Turn your computer into a **multi-port device** thanks to its two USB-A connectors and two USB-C connectors, without giving up the ability to charge your devices by incorporating a USB-C PD port. In addition, you can convert video signal thanks to its HDMI connector.

With our HUB you can **charge your devices, convert video to HDMI** and transfer data at **high speed** anywhere, without having to worry about installing any software to use it.

With a smooth and sleek design, it fits perfectly into the aesthetics of your computer. It's so **small and light** you can store it anywhere.

Thanks to its **100W USB-C PD** port, you are guaranteed fast charging (**this port is for charging ONLY, it does not transfer data**).
