

9 in 1 USB-C HUB

**CONVERTER 2 USB-A 3.0 + USB-A 2.0 + 2 HDMI +
RJ45 + TF/SD CARD READERS + USB-C PD**

10.16.1009

EAN: 8433281014336

Turn your computer into a **multi-port computer** with two USB-A 3.0 connectors, one USB-A 2.0 connector, two HDMI ports, one RJ45 connector and two TF and SD card readers, while still charging your devices with one USB-C PD port.

With our HUB you can charge your devices, convert video to **HDMI**, connect an **RJ45** cable, connect **TF/SD** cards and transfer data at **high speed**.

With a smooth and sleek design, it fits perfectly into the aesthetics of your computer. It's so **small and light** you can store it anywhere.

Thanks to its **100W USB-C PD** port, you are guaranteed fast charging (**this port is for charging ONLY, it does not transfer data**).

Specifications:

- Three USB-A ports (two 3.0 ports with data transfer speeds up to 5 Gbps and one 2.0 port at 480 Mbps).
- Two HDMI ports (each port goes to 4K 30Hz, both ports go to 1080p).
